We have now updated our website with the new delivery (P&P) rates effective from Monday (30/03/2015). The good news is that all UK rates remain unchanged and international rates for up to 100g reduce to £2.85 (from £3.75) for Europe and £3.70 (from £4.40) for the RoW.

To put this into perspective, 30x DMC skeins and all fat quarters (except 25ct) weigh less than 100g!

Other international rates have also reduced, click on the link below for full details:
